

input_module::var_bcast

```
graph LR; A[input_module::var_bcast] --> B[plib_module::barrier]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'input_module::var_bcast'. The right box is white and contains the text 'plib_module::barrier'. A blue arrow points from the right side of the gray box to the left side of the white box.

plib_module::barrier
